Subject of the Disclosure

Current Report under Section 17 of the Securities Regulation Code amid COVID-19 Pandemic

Background/Description of the Disclosure

Premium Leisure Corp. ("PLC") strongly supports the Philippine government's efforts to curb the spread of the COVID-19 virus.

With Metro Manila placed on community quarantine and the rising number of cases in the country, we expect a slowdown in gaming revenues as the Philippine Amusement and Gaming Corporation suspended all casino operations from 16th March 2020 through 14th April 2020.

For PLC's subsidiary, Pacific Online Systems Corporation, being the lessor of the Philippine Charity Sweepstakes Office's (PCSO) online lottery equipment, operations will continue. However, with POSC's revenues dependent on PCSO's lotto sales, the business may be impacted by COVID-19 virus related developments and the implementation of community quarantines.

We have thus far identified critical functions, and set in place business continuity plans (BCP). This is to ensure that we continue to manage potential risks, while prioritizing the overall interests of our investors, customers, employees, and other stakeholders. The BCP includes implementation, execution and enhancement of countermeasures to limit operational and employee health risk. It incorporates work-from-home schemes, employee healthcare monitoring as well as a system for internal/external communication management.

We will communicate constantly with our partners and stakeholders for updates through further news releases and/or our company website, www.premiumleisurecorp.com.
